

RATES FOR ROOM RENTALS
North Bramalea United Church

Space at North Bramalea United Church is available for rent by non-NBUC groups, when it is surplus to the church's mission needs. All non-NBUC groups will be charged a rental fee for using the space, but the rates are based on a sliding scale:

Scale A rate applies to business and government groups, and to non-profits whose events/programs are able to recover rental costs through ticket sales or other cost-recovery methods.

Scale B rate applies to charities and community groups, which have budgets.

Scale C rate applies to self-help groups, other churches, and individuals.

North Bramalea United Church will ensure that GST/PST and municipal taxes are charged, where applicable. Set-up for events for over 300 people is extra. Rates are flat rates for events up to 3 hours. Longer events need to be negotiated.

The fee for weddings is \$750, inclusive. A non-refundable deposit of \$200 is required in order to hold the space. Additional charges may apply for rehearsals or services that run more than an hour overtime.
